**“A photograph says a thousand words, a video speaks a million and are the most important tools when marketing a property”**

**From only \$80 have professional photographs taken of your home.**

Why not be one of many who have recognised that a professional photograph and video are fantastic marketing tools and generates interest in a property. For the price below we will come to your house and produce up to 30 quality photographs using high resolution Nikon professional digital SLR cameras. These are then emailed to you for the prices shown here allowing you to use the photographs for whatever purpose you choose.

**Add \$40 if you require all ground photos in high res on a memory stick**

To prepare your home for photographing please find below some guidelines which may help you get everything ready before the photographer arrives: -

- 1. Ensure all cars are either put away in garages / sheds or parked on the road away from the front of the property**
- 2. Move all wheelie bins out of sight**
- 3. Remove clothes from washing lines**
- 4. Put all garden equipment and hoses away**
- 5. Remove all pet toys and feeding bowls**
- 6. Put away all swimming pool toys and accessories**
- 7. Ensure all beds are made and personal clothing / belongings are put away**
- 8. Tidy kitchen and put all plates and food out of sight**
- 9. Arrange children's toys neatly or put out of sight**
- 10. All bathrooms tidied, air fresheners removed and toiletries kept to a minimum or put out of sight**
- 11. Fridge magnets removed or kept to a minimum and straightened**
- 12. Ensure all rooms are tidy and ready for the shoot**

The above will help to present your home at its best for the shoot. If you can please ensure the above is carried out before the photographer arrives it would be greatly appreciated, as the time we spend at your home is allocated in advance and additional costs may be incurred if we are there longer than anticipated.
